

Siena Oaks HOA

Pool to Close Monday the 18th Will Open Friday the 22nd

Dear Resident,

A desirable aspect of community living is the quiet enjoyment of the amenities. Part of that quiet enjoyment requires the maintenance and upkeep of the amenities; such as, the pool and clubhouse.

After reviewing the present conditions, the pool deck will be painted and the non-working pool heater will be replaced during the pool closure.

Please forgive the inconvenience this may cause during the closure.

Thank You,

GRS Management on behalf of the board of directors
